

Memorandum of Understanding

The University of Piraeus (“Academic Institution”) and SAS Institute Inc. (“SAS”) are entering into this Memorandum of Understanding to provide students that complete required courses a SAS Academic Specialization (“SAS Academic Specialization”). This agreement is being entered into as of the last dated signature below (the “Effective Date”).

The parties agree that Academic Institution’s students that complete required courses will be awarded a digital badge that the student may use online to indicate their SAS Academic Specialization. Such digital badge shall be at the sole discretion of SAS.

SAS grants Academic Institution the right to use the SAS name and logo to advertise the SAS Academic Specialization. Academic Institution agrees to provide SAS with a current, valid URL link(s) for SAS to place on SAS’ website in order to enable prospective or current students and industry representatives to directly link to Academic Institution’s webpage describing the SAS Academic Specialization. In addition, Academic Institution grants SAS the right to use Academic Institution’s name and logo on SAS’ marketing materials. Each party agrees to abide by the other party’s guidelines for use of its corporate marks; such guidelines to be made available with delivery of the marks.

SAS shall have the right to conduct periodic reviews to ensure that Academic Institution’s SAS Academic Specialization continues to comply with SAS’ requirements to issue the digital badge. This memorandum can be terminated at any time by either of the parties by providing written notice.
